Too many lawyers in football, baseballs gotta few  
The pitcher got a million dollars and the quarterback  
he got two  
Pitcher threw his arm away and the quarterback burned  
his knee  
And this they did so they could live the American  
dream

Now there are some preachers on T.V. with a suit and a  
tie and a vest  
They want you to send your money to the Lord but they  
give you  
Their address 'cause all of your donations are  
completely tax free  
God bless you all but most of all send your money

Do you really want it? Do you really need it?  
Ya gotta keep on grindin' just ta try ta keep it  
Ya got no time for yourself, ya got more ba Roe Jim  
beam  
You're goin' crazy, dreamin' the American dream

Reagan is a cuttin' the budget makin' the democrats  
scream  
Says, "We gotta control inflation, quit spendin' our  
money on everything"  
But this years tax increase, why? It's the biggest in  
history  
Round and a round we go where we stop, who knows  
the American dream

Do you really want it? Do you really need it?  
Ya gotta keep on grindin' just ta try ta keep it  
We got no time for ourselves ya got more ba Roe Jim  
beam  
You're goin' crazy, dreamin' the American dream  
You're goin' crazy, dreamin' the American dream

Hail to the chief, hell, yeah
