If you don't want, you don't have to
(Get in trouble)
If you don't want, you don't have to
(Get in trouble)
If you don't want, you don't have to
(Get in trouble)
Say, you better leave my woman alone

Well, I know you are a playboy
And you've got women all over town
But listen buddy if you ever sweet talk my little girl
I'm gonna lay your body down

If you don't want, you don't have to
(Get in trouble)
You know you don't want, oh yeah
(If you don't want, you don't have to get in trouble)
If you don't want, you don't have to
(Get in trouble, say it)
Oh, you better leave my woman alone

Well I know you got your money
And you've got a new fifty-six too
But if I ever see my little girl in your new car
I'm gonna do some work on you

If you don't want, you don't have to
(Get in trouble)
You know you don't want, oh yeah
(If you don't want, you don't have to get in trouble)
If you don't want, you don't have to
(Get in trouble, say it)
Oh, you better leave my woman alone

Well I don't believe in trouble
So I don't want to start a fight
So if you'll take heed and stay away from my little girl
Then everything will be alright

If you don't want, you don't have to
(Get in trouble)
You know you don't want, yeah

(If you don't want, you don't have to get in trouble)
If you don't want, you don't have to
(Get in trouble, say it)
Oh, you better leave my woman alone, my woman
alone

My
(Woman alone)
You better leave
(Woman alone)
Better leave
(Woman alone)
My woman alone
(Woman alone)

I said
(Woman alone)
I said
(Woman alone)
I said
(Woman alone)
You better leave
(Woman alone)

You better leave
(Woman alone)
You better leave
(Woman alone)
My
(Woman alone, woman alone)
My woman
(Woman alone)

My woman alone
(Woman alone)
Oh, now
(Woman alone)
Oh, ooh
(Woman alone)
Oh yeah
(Woman alone)

Oh yeah
(Woman alone)
You better leave
(Woman alone)
My woman alone
(Woman alone)

If you don't want, you don't have to
(Get in trouble)

If you don't want, you don't have to
(Get in trouble)
If you don't want, you don't have to
(Get in trouble, say it)
Yeah, you better leave my woman alone
My woman alone, my woman alone
