Chorus:

Oh s'en allez ã Grand Mamou  
Jolis mondes, mais jolie fille  
Moi j'connais j'mã©rite pas ã¸a  
Hey ha-ha, hey Mignonne  
Oh mais moi j'men va,  
Moi tout seul ã Grand Mamou

Why'd you go and leave me in Big Mamou?  
You left me for another alone and so blue  
Please come back, oh come back  
I know what I say, and I did not say that

How come you run from Big Mamou?  
Can't you hear me loud clearly calling for you?  
Hey, ha ha, ooh la la!  
Hurry, hurry home to your lonely papa

(Repeat chorus)

Why'd you go and leave me in Big Mamou?  
You left me for another alone and so blue  
I know what I say - I did not say that  
Come back and love me in Big Mamou

Why did you go away and leave me in Big Mamou?  
You left me for another alone and so blue  
Oh, la la, ooh, ha ha !  
Come on home to lonely Papa!

I Know what I say, I know what I do  
I didn't say or do that in Big Mamou  
I did not say that in Big Mamou
