Well I taught the weeping willow how to cry
And I showed the clouds how to cover up a clear blue
sky
And the tears I cried for that woman are gonna flood
you Big River
Then I'm gonna sit right here until I die

Oh I met her accidentally in St Paul Minnesota
And it tore me up every time I heard her drawl southern
drawl
Then I heard my dream was back downstream cavortin'
in Davenport
And I followed you Big River when you called

Then you took me to St Louis later on down the river
A freighter said she's been here but she's gone boy
she's gone
I found her trail in Memphis but she just walked up the
block
She raised a few eyebrows and went on down alone

Now won't you batter down by Boton Rouge River
Queen roll it on
Take that woman on down to New Orleans New Orleans
Go on I've had enough dump my blues down in the gulf
Oh she loves you Big River more than me

Yeah I taught the weeping willow how to cry cry cry
And I showed the clouds how to cover up a clear blue
sky
And the tears I cried for that woman are gonna flood
you Big River
Then I'm gonna sit right here until I die
