Well I'm gonna take a freight train down at the station  
Lord  
And I don't care where it goes  
Gonna climb a mountain the highest mountain jump off  
nobody gonna know  
Can't you see oh can't you see what that woman Lord  
she's been doin' to me  
Can't you see can't you see what that woman's been  
doin' to me

I'm gonna find me a hole in the wall I'm gonna crawl  
inside and die  
Cause my lady now I mean old woman Lord she never  
told me goodbye  
Can't you see...  
[ guitar ]  
Gonna buy me a ticket now as far as I can I ain't never  
coming back  
Ride me a southbound all the way down to Alabam till  
that train is a runnin' a track  
Can't you see...  
Can't you see...
