Let me tell you about the farm  
All my friends are in the barn  
Barn Life, Farmers Wife  
Don't you make me say it twice  
Sunny days  
Bale and Hay  
Go to church and learn to pray  
Cornbread, feather bed, buttermilk  
scratch my head  
Brown cow, Cat's meow  
C'mon mule, pull my plow!

Oats and bread, turkey breast  
Wait a minute  
Catch my breath!

Candied yams,  
scrambled eggs  
Crazy Rooster plucked my leg  
King nose, garden hose  
watchin all the flowers grow  
tractor rattle, horse and saddle  
open line, fishin' paddle  
green beans, blue jeans  
electric guitar, washing machine  
ho' down, gather around  
Listen to the barnyard sound  
fiddle and bow, mountain blow  
bluegrass, country, rock and roll!

House fly, Apple pie  
Coon skin hat, eagle eye  
In-law, Out-law  
Suit and tie, overall  
great oaks, best smokes  
jelly jam, jell-o roll  
fried tomato, baked potato  
soup and kettle, double barrell  
Bow and arrow, camouflage  
Left Paw, Buzz saw  
Country boy, C'mon now  
Make that good ol' fiddle squak!!

Hound dog, Bullfrog  
Deer head hangin' on the wall  
clothesline, grapevine  
sippin on that ol' moonshine  
Amen, women hollerin'  
grey head men, brown eyed daughter  
mom and paw, snake in the grass  
duck call, 2 steppin helpin  
sun comin up, over the mountain  
when it rains I'm insane  
Guess that covers ever-thang!!!!

Pick-up truck, muffler loud  
Welcome to the sunny south!!  
Birkenberth, KFC  
CMA and SCC  
ASP, won't take cards  
Civil war was in the yard  
Love Life  
Out of hand  
waited on ten level tan  
only going to do 20 shows  
Hunting season, told ya so  
He's goin' fishin!!  
There he goes!  
There he goes!  
There he goes!
