Oh, the games people play now
Every night and every day now
Never meaning what they say now
Never saying what they mean

So they while away the hours
In their ivory towers
Till there covered up with flowers
In the back of a black limousine

Talkin' 'bout you and me
And the games people play

Oh, we make one another cry
Break our heart then we say goodbye
'Cause our heart say we hope to die
Let the other one to blame

Neither one will ever give in
So were gazing at an 8 by 10
Thinking bout the way
It might have been
Its a dirty, rotten, shame

Talkin' 'bout you and me
And the games people play

People walking up to ya
Sayin' glory, hallelujah
And they try to sock it to ya
In the name of the Lord

They gonna teach you how to meditate
Read your horoscope and cheat your faith
And furthermore to hell with hate
Come on and get on board

Talkin' 'bout you and me
And the games people play

Look around tell me what you see
What's happening to you and me

God grant me the serenity
To remember who I am

'Cause your giving up your sanity
For your pride and your vanity
Turn your back on humanity
And you don't give a damn

Talkin' 'bout you and me
And the games people play

Talkin' 'bout you and me
And the games people play

Talkin' 'bout you and me
And the games people play
