Gonna Go Huntin' Tonight

I'm gonna shine up my boots pick out my best hat  
Goin' to a place called the Ol' Brier Patch  
I'm gonna get loose and I'm gonna have fun  
Gonna go huntin' but I wont need a gun now

Well the season is always open  
And there ain't no limit you see  
They can be more challenging then a rocky mountain  
sheep  
I have hunted the four legged deer  
But the two legged are a lot more fun  
I'm gonna go huntin' tonight Lord  
I ain't takin' no gun

'Cause the kind of game I'm looking for is not that hard  
to snare  
But they can be more dangerous than a big ol' grizzly  
bear  
They got long claws, long legs, and a skin already  
tanned in the sun  
I'm gonna go huntin' tonight Lord,  
But I ain't takin' no gun

Now those big ol' beautiful wildcats  
Are the kind that are hard to track  
'Cause the joint is crawlin' with the other hunters  
And the she-cat is doublin' back  
Now is the time for patience don't fire on the first one  
Don't waste your bullets on a little bitty baby  
Get a full grown wo wo woman

Hey the kind of game I'm talkin' about is not that hard  
to snare  
But they can be more dangerous than a big ol' grizzly  
bear  
They got long claws, long legs, and a skins' already  
tanned in the sun  
I'm gonna go huntin' tonight boy  
But I ain't takin' no gun

Yeah, I'm talkin' about huntin' tonight Lord  
No light, no gun  
Don't waste your powder on a little bitty baby, get a full  
grown
