"Hot To Trot"

Some girls are cute, some girls are not
When it comes to you, I'm hot to trot
I've got a feeling tonight we will cross that finish line
I'm hot to trot, baby let's ride

You make me dance like a Kentucky colt
When I'm with you girl I really feel my oats
I will be your Tennessee stud if you give me your sweet
love
I'm hot to trot, baby let's ride

Why don't we ride off in the sunset
Just like ol' Roy Rodgers did
You can be my Lily Langtree and I'll be your Billy The
Kid
I'm hot to trot, I'm raring to go
Take a ride along, I'm ready to show
I gotta feeling that tonight we will cross that finish line
I'm hot to trot, baby let's ride

Why don't we ride off in the sunset
Just like ol' Gene Autry did
You can be my Lily Langtree and I'll be your Billy The
Kid
I'm hot to trot, I'm raring to go
Take a ride along, let's rodeo
Hey that all you can't denie that we will cross that finish
line
I'm hot to trot, baby let's ride
Baby let's ride
