It's the way of mine to say just what I'm thinking
And to do the things I really want to do
And you want to change the part of me I'm proud of
So I can't be myself when I'm with you

Oh, you never like the clothes I wear on Sunday
Just because I don't believe the way you do
But I believe the Lord knows I'm unhappy
'Cause I can't be myself when I'm with you

No I can't be myself and be what pleases you
And down deep inside I don't believe that you want me
to
And it's not my way to take so long deciding
That I can't be myself when I'm with you, no it's not my
way
