Intro: notes/chords to last line of last verse.

Capo: 2nd fret/key: e/play: d
today I passed you on the street
and my heart fell at your feet
I can't help it if I'm still in love with you
somebody else stood by your side
and he looked so satisfied
I can't help it if I'm still in love with you. ...

A picture from the past came slowly stealing
As I brushed your arm and walked so close to you ...
Then suddenly I got that old time feeling
I can't help it if I'm still in love with you.

It's hard to know another's lips will kiss you
And hold you just the way I used to do
Oh, heaven only knows how much I miss you
I can't help it if I'm still in love with you.
