A breakin' these rocks in the hot sun
I fought the law and the law won
I fought the law and the law won

I wanted money 'cause I had none
I fought the law and the law won
I fought the law and the law won

I left my baby and it feels so bad
Guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law won

Robbin' people with a six-gun
I fought the law and the law won
I fought the law and the law won

I fought the law and the law won
I fought the law and the law won

I left my little baby in good fun
I fought the law and the law won
I fought the law and the law won

If I left my baby and it feels so bad
I guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law won

If I left my baby and it feels so bad
And I guess my race is run
She was the best thing, I ever had
I fought the law and the law won
I fought the law and the law won

I fought the law and the law won
I fought the law, law won
I fought the law, the law won
I fought the law, the law won

I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
I fought the law and the law won
