I Think I'll Just Stay Here And Drink
Merle Haggard
Well I could be holding you tonight
Could quit doing wrong start doin' right
You don't care about what I think
So I think I'll just stay here and drink
Hey puttin' you down don't square no deal
Least you know the way I feel
Take all the money out of the bank
I think I'll just stay here and drink
Listen close and you can hear
That loud jukebox playin' in my ear
Ain't no woman gonna change the way I think
I think I'll just stay here and drink
Hey hurtin' me now don't mean a thing
Since lovin' you don't feel no pain
My mind ain't nothin' but a total blank
I think I'll just stay here and drink yeah
