I like Charlie Daniels
And I love big John Cash
And I think Waylon Woktosh Jennings
Is a table thumpin' smash

Playin' with Marshall Tucker Band
Was as good as smokin' grass
But anybody that don't like Hank Williams
You can kiss our ass

'Cause I think what they've done
Was well worth doin'
And their doin' it
The best way that they can

Oh, you're the only one
That you are screwin'
When you put down what
You don't understand

I love all them Allman Brothers
Merle Haggard and George Jones
Shotgun Willie Nelson
And them rockin' Rolling Stones

Everything the Eagles do
And I'm in love with Linda Rondstat
Anybody that don't like Hank Williams
They can kiss our ass

'Cause I think what they've done
Is well worth doin'
And their doin' it
The best way that they can

Oh, you're the only one
That you are screwin'
When you put down what
You don't understand

I ain't sayin' that he was
The first or the last

But if you don't like Hank Williams
You can kiss our ass
