If you've got the money I've got the time
We'll go honky tonkin' and we'll have a time
We'll make all the night spots dance romance and dine
If you've got the money honey I've got the time
Now there ain't no use to tarry so let's start out tonight
We'll spread joy boy oh boy honey we'll spread it right
We'll have more fun baby all way down the line
If you've got the money honey I've got the time
If you've got the money I've got the time
We'll go honky tonkin' and we'll have a time
Bring along your cadillac leave your old wreck behind
If you've got the money honey I've got the time
[strings - piano]
Yes we'll go honky tonkin' and we'll be pleasure bent
I'll look like a million but I won't have a cent
But if you run short of money I'll run short of time
Cause you with no more money honey I've no more
time
If you've got the money...
If you've got the money...
