Mothers against drunk drivers, the Pope is against the pill

The union's against the workers working against their will

The President's against the Congress, the Senate is against the House

People are against politicians and I'm against cats in the house

But I'm for love and I'm for happiness

And I'm for 'If you don't like it, can't you just let it pass?'

And I'm for turning off the music, turning down the lights

'Cause I'm for nothing else but me and you tonight

The cities against the counties, the counties against the state

The state is against the government and the highways still ain't paved

The banker's against the farmer, the farmer's against the wall

Doctor's against me smoking and the devil is against us all

But I'm for love and I'm for happiness

And I'm for 'If you don't like it, can't you just let it pass?'

And I'm for turning off the tube and turning down the lights

'Cause I'm for nothing else but me and you tonight

The cops are against the robbers, the laws are against the cops

Justice is against the system and some people are blowing their tops

The horse is against the automobile, the bus is against the train

The train is against the jumbo jet and I'm against fishing in the rain

But I'm for love, I'm all for happiness

And I'm for 'If you don't like it, can't you just let it pass?'

And I'm for turning off the tube and turning down the

lights

And I'm for nothing else but me and you tonight

Hey, I'm for love, I'm all for happiness

And I'm for 'Not looking for something to make us mad'

I'm all for turning off the music and turning down the

lights

And I'm for nothing else but me and you tonight
