My good gal left and I can't stand this pain  
When she walked out my tear drops fell like rain  
So set 'em up Joe and give me some dimes  
I got an appointment with a friend of mine  
I'm going to get drunk and play Hank Williams all  
night long  
Cause the wedding bells will never ring for me  
And that whippoorwill ain't got no sympathy  
I'm broken down and torn apart  
The moanin blues and your cheatin heart  
I'm gonna get drunk and play Hank Williams all  
night long  
The love sick blues sure ain't no state of mine  
Mixed with a broken heart and juke joint wine  
But I ain't leavin, done turned in my keys  
Bartender told me, stay as long as you please  
I'm going to get drunk and play Hank Williams all  
night long  
Cause the wedding bells will never ring for me  
And that whippoorwill ain't got no sympathy  
I'm broken down and torn apart  
Whiskey bent and your cheatin heart  
I'm gonna get drunk and play Hank Williams all  
night long  
Cause the wedding bells will never ring for me  
Long gone lonesome blues sure fits me to a tee  
I'm broken down and torn apart  
Whiskey bent and your cheatin heart  
I'm gonna get drunk and play Hank Williams all  
night long  
Why don't you love me like you used to do  
Yeah all night long
