[Announcer] Oh mighty!

Welcome to the Hank Williams Jr, Bocephus part of the  
get together

Are you ready?

They're ready

We like to have you meet a guy. I'm sure you've met  
him many times

He's been with Hank since they were both about that  
high

He wrote a song called "Wolverton Mountain", "Ring of  
Fire"

When you get on the whiskey let someone else drive  
Merle Kilgore!

[Merle Kilgore]

(Spoken) Well ladies and gentlemen if you didn't know  
by now

you're setting a little bit of musical history with the  
number one artist

in the nation Hank Williams Jr.

We're making a live Bocephus album

We want you to raise hell and make a lot of noise  
tonight

You're gonna be recording with the number one man  
Bocephus

The man who has eleven gold, three platinum, the  
number one

album today, the number one single, and I ain't gonna  
call Hank

Williams Jr, Junior anymore. Gonna call him Hank

(Sung) I ain't gonna call Hank Williams Junior, Junior  
anymore

Even though I know what all his daddy done before  
Hank weighs close to two hundred pounds and stands  
about 6'4"

I ain't gonna call Hank Williams Junior, Junior anymore

(Spoken) Ladies and gentlemen the boss of country,  
Bocephus!

Bocephus is here! Bocephus!
