(I've loved you all over the world)
I've loved you all over the world in every place I've been
you were with me and then
There never was anyone but you sweet girl I've loved
you all over the world
You still share my pillow each night pressed so close to
me sharing each memory
You still keep my mind in a whirl sweet girl I've loved
you all over the world
Carolina Virginia California to Maine from New York to
Texas the feeling remains
City sidewalks and each country lane sweet girl I've
loved you all over the world
[piano - strings]
(I've loved you all over the world)
Carolina Virginia California to Maine...
I've loved you all over the world sweet girl
