Like the prairie breeze you go where you please ridin'  
trails that lead to nowhere

There's places to grow roots but your restless boots  
never seem to want to go there

Kiowa Jones Kiowa Jones

But no man can lead his life without a reason for his  
bein'

Your world's such drifter's world but there's another  
world that's more worth seein'

Kiowa Jones Kiowa Jones

[ whistle ]

But no man can lead his life...

Kiowa Jones Kiowa Jones
