Well I told you once and I told you twice and I ain't  
gonna tended to you no more

You don't do nothin' that I tell you anyway

And now you're tellin' me to walk out your door

Ain't no denyin' you been lyin' ain't no mistakin' my  
heart is breakin'

Ain't do much choosin' that I'm losin' losin' you

[ guitar ]

I finally find out the way you are and it's so hard for me  
to take

I can't understand your feelin's I wish I had known  
before it was too late

Ain't no denyin'...

[ guitar ]

Ain't no denyin'...

Ain't no denyin'...
