Well, I told you once and I told you twice  
And I ain't gonna tended to you no more  
You don't do nothin' that I tell you anyway  
And now you're tellin' me to walk out your door

Ain't no denyin', you been lyin'  
Ain't no mistakin', my heart is breakin'  
Ain't do much choosin' that I'm losin'  
Losin' you

I finally find out the way you are  
And it's so hard for me to take  
I can't understand your feelin's  
I wish I had known before it was too late

Ain't no denyin', you been lyin'  
Ain't no mistakin', my heart is breakin'  
Ain't do much choosin' that I'm losin'  
Losin' you

Ain't no denyin', you been lyin'  
Ain't no mistakin', my heart is breakin'  
Ain't do much choosin' that I'm losin'  
Losin' you

Ain't no denyin', you been lyin'  
Ain't no mistakin', my heart is breakin'  
Ain't do much choosin' that I'm losin'  
Losin' you
