Tonight down here in the valley I'm lonesome and oh  
how I feel  
As I sit here alone in my cabin I can see your mansion  
on the hill  
Do you recall when we parted the story to me you  
revealed  
You said you could live without love dear in your  
loveless mansion on the hill  
I've waited all through the years love to give you a  
heart true and real  
Cause I know you're living in sorrow in your loveless  
mansion on the hill  
The light shines bright from your window the trees  
stand so silent and still  
I know you're alone with your pride dear in your  
loveless mansion on the hill
