You will meet many just like me upon lifes busy street.
with shoulders stooped and heads bowed low and eyes
that stare in defeat.
For souls that live within the past where sorrow plays all
parts,
for a living death is all thats left for men with brokens
hearts.
You have no right to be the judge, to criticize and
condemn.
Just think but for the grace of God it would be you
instead of him.
One careless step, a thoughtless deed and then the
misery starts
and to those who weep death comes cheap, these men
with broken hearts.
Humble you should be when they come passing by,
for its written that the greatest of men never get to big
to cry.
Some lose faith in love and life when sorrow shoots her
darts,
with hope all gone, they walk alone these men with
broken hearts.
You've never walked in that man's shoes or saw things
through his eyes,
or stood and watched with helpless hands while the
heart inside you dies.
Some were porpers, some were kings, some were
masters of the arts,
but in their shame they're all the same, these men with
broken hearts.
Life sometimes can be so cruel that a heart will pray for
death.
God why must these living dead know pain with every
breath?
So help your brother along the road, no matter where
he starts!
For the God that made you,made them too. These men
with broken hearts!
