I like to travel when I'm heading for home
Way down in Dixie when I'm never more wrong
I know a girl who's been waiting around
She likes to boogie woogie when I'm in town

I mean Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

This is the reason I'm saying goodbye
I get so lonesome that I'm ready to cry
Everybody's been so nice to me
I hate to leave you but I gotta go see

Ol' Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

I love that Mobile boogie

Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

Mobile down in Alabam (down in Alabam)
Where the breeze is blowing that's where I'm found
(boogie woogie, boogie woogie)
Boogie woogie

Mobile boogie!
