You can see the pictures on the wall there where they  
signed,  
Montana Cafe, Thanks allot for a pleasent Stay  
Oh we got Steaks and pie and the specials still a piece  
of mind

I know so many people, in so many places  
they make allot of money but they got sad faces  
they want to get away, and enjoy the life  
But the business their in, has taken control  
they want get out and free their sole we're on highway  
93  
stop by anytime

Montana Cafe, we're a little bit out of the way  
but you can get coffee and a smile here anytime  
Montana Cafe, come on in for a pleasent stay  
Oh we got Steak and pie and specials is piece of mind

See the old juke box, there in the corner  
our kind of songs live so much longer  
there's names like Johnney Cash and Ernest Tubb  
and I bet you'll find, that were gonna relax ya  
sit back and listen to North to Alaska  
and if you ever come in here your gonna fall in love

With the Montana Cafe, we bring back some of  
yesterday  
and you can get coffee and a smile here anytime  
Montana Cafe, feel the tension melt away  
Oh we got Steak and pie and specials still a piece of  
mind

I'm so glad we reached, this point in my life  
I finally got my priorities right  
I am way out here, on the Idaho Line  
and I do my best, what I left behind,  
driving to work and standing in line  
we're on Highway 93 just look for the sign

Montana Cafe, shades of Rosevelt and Hemingway

you can get coffee and a smile here anytime  
Montana Cafe, thanks allot for a pleasant stay  
Oh we got Steak and pie but the specials istill a piece of  
mind

Yeh we got Steak and pie, but the specials still a piece  
of mind
