Old flame new fire let the good times roll while the fire
burns out of control
Hello honey (how you doin') it's so good to see you
Sure has been a long time come right on in
You can kick your shoes off you can let your hair down
Baby you're lookin' so good just like I knew you would
Old flame new fire burnin' so hot cause we got a whole
lot to catch up on
Old flame new fire let the good times roll while the fire
burns out of control

Gonna make up for lost time I'm gonna make you a
believer
I'm gonna spend your loving like money from home
You and me together ah we can make a good thing
better
Can't do no wrong honey child from now on
Old flame new fire burnin'...
