Well, I kicked the habit, of smoking back some time ago

And I tried the hard stuff but I had to let all that go

But the toughest thing I ever gave up was today

'Cause old habits like you are hard to break

I chew Life Savers to help me get off cigarettes

But you know for your love, I ain't found no Life Savers yet

And I've grown cold turkey, 'cause there's not even on kiss ad day

And old habits like you are hard to break

Old habits like you are hard to break

Love with someone new is so hard to make

I had grown so use to your love and all of your ways

And old habits like you are hard to break
