There's comin' a day when the world shall melt away  
And Jesus shall come to claim His own  
No more tears, no pain, no woe, in this wicked world  
below  
Then will you be ready to go home?

Will you be ready to go, ready to go home  
To live with Him up there around the throne  
When He says, "Come unto Me", will your soul be clean  
and free?  
Then will you be ready to go home?

In this world of greed and hate will you wait 'til it's too  
late  
To claim the Saviour for your own?  
For He's coming someday to bear your soul away  
Then will you be ready to go home?

As you travel day by day down life's long highway  
Are you on the road that leads to wrong?  
If you'll just travel in His light and pray both day and  
night  
Then you'll be ready to go home
