Send me the pillow that you dream on oh don't you
know that I still care for you
Send me the pillow that you dream on so darling I can
dream on it too
Each night while I'm sleeping oh so lonely
I share your love in dreams that once were true
So send me the pillow that you dream on and darling I
can dream on it too
[guitar - strings]
I've waited so long for you to write me but just a
mem'ry's all that's left of you
Send me the pillow that you dream on so darling I can
dream on it too
So darling I can dream on it too
