I could search from now to the end of time and I'd
never find another you
I'm so glad because I know you're mine someone to
give my love to
I believe my love that you're one of the kind for there's
no one else like you
You're the light of my life so let it shine someone to
give my love to
I find happiness is lovin' you I'll do my best to make
your dreams come true
I will follow you to the end of the earth for my place will
be with you
Now I have taken you for better or worse someone to
give my love to
I find happiness is lovin' you I'll do my best to make
your dreams come true
The days of man-and-wife-time are precious few I will
spend them all with you
For as long as you want me I'll stay with you someone
to give my love to
Mhm mhm someone to give my love to
