

Hank Williams Jr. "Stop And Think It Over"

We got to stop and think it over before we say we are in
love
Are we right for each other can what we feel be lasting
love
We got to stop and think it over before we break each
other's heart
Will this love last forever or some day calls us to part
[guitar]
For so many loves have done gone wrong and so many
hearts are in pain
Just like us they were too young and they played a
loosing game
We got to stop and think it over before we break...
We got to stop and think it over
