I'll go find a network wants to treat me right  
Ya'll can take the change and stick it outta sight  
Don't tread on me  
Don't ya tread on me  
Hey are you ready for some good news  
We're gonna take back our country  
Well it used to be easy get a place build a house  
Now the EPA said no that's the home of the Blue  
Mouse  
Don't tread on me  
Don't ya tread on me  
We're gonna use some common sense and  
We're gonna take back our country  
Well they've beaten to death that poor race  
horse  
This politically correct thing has run its course  
Don't tread on me  
Don't ya tread on me  
Hey are you ready for some good news  
We're gonna take back our country  
Facebook Twitter YouTube and Bing  
Lots of divorces from showin' them things  
Why don't ya mind your own business  
That's good advice  
Mind your own business  
Dad got it right  
Well if you mind your business then you won't be  
mindin' mine  
Every sign says for sale for lease  
Price reduced make an offer please!  
Don't tread on me  
Don't ya tread on me  
Hey are you ready for some good news  
We're gonna take back our country  
There's no way today we could build Boulder Dam  
There'd be way too many government permit  
scams  
Don't tread on me  
Don't ya tread on me  
Hey are you ready for the good news  
We're gonna take back this country  
Hey Barak pack your bags head to Chicago

Take your teleprompter with you so youâ€™ll know  
where to go  
So move it on over (Move it on over)  
Move it on over (Move it on over)  
Move over little dog cuz the big dogs moving in  
Move it on over (Move it on over)  
Slide it on over (Move it on over)  
Hey are you ready for some good news  
Are you ready for some good news  
Weâ€™re gonna take back our country
