If I could make a wish I think I'd pass  
Can't think of anything I need  
No cigarettts, no sleep, no lights, no sound  
Nothing to eat, no books to read  
Cause making love to you has left me peaceful, warm,  
and tired  
What more could I ask, there's nothing left to be  
desired  
Peace came upon me and it leaves me weak  
So sleep, silent angel go to sleep

Sometimes all I need is the air that I breathe and to  
love you  
All I need is the air that I breathe and just to love you  
All that I need is the air that I breathe

Peace came upon me and it leaves me weak  
So just sleep, hey baby let's just sleep

Sometimes all I need is the air that I breathe and to  
love you  
All I need is the air that I breathe and just to love you  
All that I need is the air that I breathe

Sometimes all I need is the air that I breathe and just to  
love you  
All I need is the air that I breathe and just to love you  
All that I need is the air I breathe
