Kiss me each morning for a million years
hold me each evening by your side
Tell me you love me for a million years
If it don't work out if it don't work out then you can tell
me goodbye
Sweeten my coffee with a morning kiss
soften my dreams with your sigh
After you've loved me for a million years
If it don't work out if it don't work out then you can tell
me goodbye
If you must go I won't grieve if you'll wait a lifetime
before you leave
If you must go I won't say no just so we can say we try
Tell me you love me for a million years
If it don't work out if it don't work out then you can tell
me goodbye
