We are young country  
We are the pride  
The sons and the daughters  
Of American lives

Our hair is not orange  
We don't wear chains and spikes  
But we know how to have fun  
Come Saturday night

We know what's right  
We know what's wrong  
We know what we like to hear in a song  
We like some of the old stuff

We like some of the new  
But we'll do our own chosen  
We pick our own music  
If you don't mind, thank you

We are young country  
We like all kinds  
Of music and people  
'Cause we don't draw no lines

Our hair is not orange  
We don't wear chains and spikes  
But we know how to have fun  
Come Saturday night

We like ol' Waylon  
Hey, and we know Van Halen  
We like ZZ Top  
We like country and rock

Old Hank would be proud  
And Elvis would too  
'Cause we like our country  
Mixed with some big city blues

We are young country  
We are the pride

The sons and the daughters  
Of American lives

Old Hank would be proud  
And Elvis would too  
'Cause we like our country  
Mixed with some rhythm and blues

We know when it's hot  
And we know when it's not  
If you don't mind, thank you
