I wasn't jealous before we met  
Now every man that I see is a potential threat  
And I'm possessive it isn't nice  
You've heard me saying  
That smoking was my only vice

But now it isn't true  
Now everything is new  
And all I've learned has overturned  
I beg of you

Don't go wasting your emotion  
Lay all your love on me

It was like shooting a sitting duck  
A little smalltalk, a smile and baby I was stuck  
I still don't know what you've done with me  
A grown-up man should never fall so easily

I feel a kind of fear  
When I don't have you near  
Unsatisfied I skip my pride  
I beg you dear

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your emotion  
Lay all your love on me

I've had a few little love affairs  
They didn't last very long  
And they've been pretty scarce  
I used to think I was sensible  
It makes the truth  
Even more incomprehensible

'Cause everything is new  
And everything is you  
And all I've learned  
Has overturned what can I do

Don't go wasting your emotion

Lay all your love on me  
Don't go sharing your emotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Don't go sharing your emotion  
Lay all your love on me

Don't go wasting your emotion  
Lay all your love on me  
Yeah, yeah, yeah, yeah, yeah
