I have the invitation that you sent me  
You wanted me to see you change your name  
I couldn't stand to see you wed another  
But dear, I hope you're happy just the same

Wedding bells are ringing in the chapel  
That should be ringing out for you and me  
Down the aisle with someone else you're walking  
Those wedding bells will never ring for me

I planned a little cottage in the valley  
I even bought a little band of gold  
I thought some day I'd place it on your finger  
But now the future looks so dark and cold

Wedding bells are ringing in the chapel  
I hear the children laughing out with glee  
At home alone I hang my head in sorrow  
Oh, wedding bells will never ring for me

I fancy that I see a bunch of roses  
A blossom from an orange tree in your hair  
While the organ plays 'I love you truly'  
Please let me pretend that I am there

Wedding bells are ringing in the chapel  
Ever since the day you set me free  
I knew someday that you would wed another  
But wedding bells will never ring for me
