Won't it be nice to see you again seems I've been gone
since I don't know when.

I've had lonely nights and bottles for friends and it'll be
nice to see you again.

Babe I've been down since you've been gone
its hard to love over a phone
but it won't be long now 'til I hold you tight, 'cause I'm
coming home.I'll be there tonight.

Though I don't always get standing ovations I don't
always knock the ball over the fence.
My life is not always a perfect situation and it will be so
nice to see you again.
I used to hate to go home its a bad feeling to be alone
theres been some changes since way back then
it will be so nice to see you again.
