In the twilight glow I see her
Blue eyes crying in the rain
As we kissed goodbye and parted
I knew we'd never meet again

Love is like a dying ember
Where only memories remain
Through the ages I remember
Blue eyes crying in the rain

Now my hair has turned to silver
All my life I've loved in vain
I can see a star in heaven
Blue eyes crying in the rain

Someday when we meet up yonder
We'll stroll hand in hand again
In a land that knows no parting
Blue eyes crying in the rain
