(Floyd Jenkins (aka Fred Rose))

I've got a blue love in my heart  
What can I do, love, with my heart  
It's got a burnin', yearnin' while we're apart  
I've got a blue love in my heart.

So blue the nights, so blue the days  
Why don't you write to me and say?

You've got a true love in your heart  
An "I'll come thru love" in your heart  
And stop this burnin', yearnin' while we're apart  
I've got a blue love in my heart.

I've got an old flame in my heart  
A solid-gold flame in my heart  
I'm like a weepin'-willow, while we're apart  
I've got a blue love in my heart.

What can I do, where can I go  
I never knew I loved you so.

I've got a blue love in my heart  
What can I do love with my heart  
I'm like a weepin'-willow, while we're apart  
I got a blue love in my heart...
