If you're worryin' over me like I've worried over you  
Don't do it darlin', don't do it darlin'  
If you think I'm missin' you and I'm missin' kissin' you  
Don't do it darlin', don't do it darlin'.

I gave my heart to you my dear and trusted you and  
then  
You took my heart and played with it and now you say  
we're through  
If you think I'm all alone and you feel the urge to phone  
Don't do it darlin', don't do it darlin'.

If you're worryin' over me like I've worried over you  
Don't do it darlin', don't do it darlin'  
If you think I'm missin' you and I'm missin' kissin' you  
Don't do it darlin', don't do it darlin'.

I gave my heart to you my love, I trusted it with you  
You took my heart you played with it and now you say  
we're through  
Now that you are all alone and you feel the urge to  
phone  
Don't do it darlin', don't do it darlin'...
