Have I told you lately that I love you?

Have I told you there's no one else above you?

Fill my heart with gladness

Take away all my sadness

Ease my troubles, that's what you do

For the morning sun and all its glory

Greets the day with hope and comfort too

You fill my life with laughter

Somehow make it better

Ease my troubles that's what you do

There's a love divine

And it's yours and it's mine

Like the sun

And at the end of the day

We should give thanks and pray

To the one, oh, to the one

Have I told you lately that I love you?

Have I told you there's no one else above you?

You fill my heart with gladness

Take away all my sadness

Ease my troubles, that's what you do

There's a love divine  
And it's yours and it's mine  
Like the sun  
And at the end of the day  
We should give thanks and pray  
To the one, oh, to the one  
Have I told you lately that I love you?  
Have I told you there's no one else above you?  
You fill my heart with gladness  
Take away all my sadness  
Ease my troubles, that's what you do  
Take away all my sadness  
Ease my troubles, that's what you do  
Oh, take away all my sadness  
Ease my troubles, that's what you do  
Oh, baby, baby, baby  
Have I told you lately that I love you?  
C'mon baby move with me  
Baby, baby, baby  
Baby, baby, baby
