I've got a right to cry  
I've got a right to cry  
All day I sing the blues  
I'm in my lonely shoes.

Could you be so unkind  
I nearly lost my mind  
I wonder if you care  
My life is a sad affair.

My heart is aching  
And it's breaking  
And I don't know what to do  
Sweetheart it's all because of you.

You know you've done  
Done me wrong  
Come on back home  
Where you belong.

And in this reason why  
I've got a right to cry

Yeah my heart is aching  
And it's breaking  
And I don't know what to do  
Sweetheart it's all because of you.

You know you've done  
Done me wrong  
Come on back home  
Where you belong.

And in this reason why  
I've got a right to cry.

I've got a right to cry...
