(Hank Williams)

Came in last night at half past ten
That baby of mine wouldn't let me in
So move it on over (move it on over)
Move it on over (move it on over)
Move over little dog 'cause the big dog's movin' in.

She changed the lock on our front door
Now my door key don't fit no more
So get it on over (get it on over)
Scoot it on over (scoot it on over)
Scoot over skinny dog 'cause the fat dog's moving in.

This dog house here is mighty small
But it's better than no house at all
So ease it on over (move it on over)
Drag it on over (move it on over)
Move over old dog 'cause a new dog's moving in.

--- Instrumental ---

She told me not to play around
But I done let the deal go down
So pack it on over (pack it on over)
Tote it on over (tote it on over)
Move over nice dog 'cause a mad dog's moving in.

She warned me once, she warned me twice
But I don't take no one's advice
So scratch it on over (scratch it on over)
Shake it on over (shake it on over)
Move over short dog 'cause the tall dog's moving in.

--- Instrumental ---

She'll crawl back to me on her knees
I'll be busy scratching fleas
So slide it on over (move it on over)
Sneak it on over (move it on over)
Move over good dog 'cause a mad dog's moving in.

Remember pup, before you whine
That side's yours and this side's mine
So shove it on over (shove it on over)
Sweep it on over (sweep it on over)
Move over cold dog 'cause a hot dog's moving in...
