(Hand Williams)

(Oh you) know that I've come back and we've tried it
o'er
(But) each time my dear it was worse than before
Now my heart is broke, it's sad and it's sore
(So) never again will I knock on your door.

(Oh you) know that I love you no other will do
Please tell me darlin' why can't you be true
But now you are gone it's over and so
Never again will I knock on your door.

Someday you'll be so lonely and blue
Then you will know just how much I love you
But now you are gone it's over and so
Never again will I knock on your door

Many a night I've cried over you
Hoping and prayin' some day you'd be true
But now you are gone it's over I know
(So) never again will I knock on your door

(Oh you) know that I love you no other will do
Please tell me darlin' why can't you be true
But now you are gone it's over and so
Never again will I knock on your door...
