Well I'm a runnin' and gunnin'
a little bit crazy,
got half drunk on the day they made me
I don't know why,
I guess it's in my genes

Well I'm a runnin' and gunnin'
a little bit shady,
got half-stoned on the day they made me
I don't know why,
I guess I'm dangerous and mean

(You better)
look out baby, oh you better watch out!
look out baby, oh you better watch out!
look out baby - I'm dangerous and mean

look out baby, oh you better watch out!
look out baby, oh you better watch out!
look out baby - I'll drop you to your knees

Well I'm a runnin' and gunnin'
a little bit shady,
got tattooed on the day they made me
I don't know why,
I guess I'm dangerous and mean

Well, I've got my 4-speed 2-door Chevy,
driving outta hell like Satan's gonna catch me,
I don't know why - I guess it's in my genes

(You better)
look out baby, oh you better watch out!

look out baby, oh you better watch out!
look out baby - I'm dangerous and mean

look out baby, oh you better watch out!
look out baby, oh you better watch out!
look out baby I'll - drop you to your knees

Well I'm a runnin' and gunnin'

a little bit crazy,
got half-drunk on the day they made me
I don't know why,
I guess it's in my genes

Well, I 've got my 4-speed 2-door Chevy,
driving outta hell like Satan's gonna catch me,
I don't know why - I guess I'm dangerous and mean

(You better)
look out baby, oh you better watch out!
look out baby, oh you better watch out!
look out baby - I'm dangerous and mean

(You better)
look out baby, oh you better watch out!
look out baby, oh you better watch out!
look out baby I'll - drop you to your knees
