(Hank Williams)

Oh, the rain is slowly falling
And my heart is so sore
Six more miles and leave my darling
Never on this earth to meet no more.

Six more miles to the graveyard
Six more miles, long and sad
Six more miles and leave my darling
Leave the best friend I ever had.

--- Instrumental ---

Oh, I hear the train a-coming
Bringing my darling back home
Six more miles to the graveyard
And I'll be left here all alone.

Six more miles to the graveyard
Six more miles, long and sad
Six more miles and leave my darling
Leave the best friend I ever had.

--- Instrumental ---

Six more miles to the graveyard
Six more miles, long and sad
Six more miles and leave my darling
Leave the best friend I ever had...
