Sundown and sorrow have found me  
Memories are makin' me blue  
Here with these shadows around me  
I can't forget lovin' you.

Nothin' but daydreams to haunt me  
Dreams that will never come true  
It's hard to know you don't want me  
I just can't help lovin' you.

Forever so long I've been yearnin'  
Wonderin' just what I could do  
Deep in my heart there's a burnin'  
I just can't help lovin' you.

undown and sorrow have found me  
Memories are makin' me blue  
Here with these shadows around me  
I can't forget lovin' you...
