You were there in my arms alone in the moonlight  
The trees played the waltz of the wind  
It was there I knew I'd love you forever  
As we danced to the waltz of the wind.

The stars up above you look down in your eyes  
And there in the moonlight I knew  
So I'll say goodbye dear, till tomorrow  
Till we dance to the waltz of the wind.

You were there in my arms alone in the moonlight  
The trees played the waltz of the wind  
It was there I knew I'd love you forever  
As we danced to the waltz of the wind.

The stars up above you look down in your eyes  
And there in the moonlight I knew  
So I'll say goodbye dear, till tomorrow  
Till we dance to the waltz of the wind...
